More information at: www.reiten-bbb.de

About the „School of Légèreté“:

Phillippe Karl founded the School of Légèreté in 2004. The concept is focused on total respect for the horse. Use of any means of coercion is excluded. The concept of Légèreté is based on profound knowledge of the horse; anatomy, psychology, movement, balance and behaviour.

More information at: <http://www.philippe-karl.com>

The course is for **8 riding participants**. It is composed of **4 individual lessons** , a **theory lecture** (also for spectators), and a **final feedback** with hints for further schooling.

The course will be translated into english.
